March 11, 2020

Dear Brothers and Sisters,

By now you may have already heard of the coronavirus disease (COVID-19)’s continued impact on our community, our state, and the world as a whole. Though there are no confirmed cases here at St. Andrew, out of an abundance of precaution, the Archdiocese of San Francisco has requested a reduction in parish activities across all churches in order to protect the health of our congregation. As a result, the following measures are being taken here at St. Andrew:

- **All Masses and scheduled activities have been CANCELED. These include:**
  - Sunday and Daily Masses
  - Religious Education classes
  - Prayer group meetings
  - Stations of the Cross
  - Saturday Reconciliation
  - The Capital Campaign presentation

- **The Front Office will remain closed until further notice.**

  The Main Church will remain open daily from 9AM to 4PM.

  The Chapel will remain open daily from 8AM to 11AM.

Parishioners who are ill or vulnerable to illness must stay home, and on Sunday can instead make an act of Spiritual Communion as well as partake in the following broadcasted Sunday Masses:

- 6:00AM on KOFY 13 and KTSF 26
- 6:30AM on KTXL 40 Sacramento,
- 5:00AM, 9:00AM, and 9:00PM on EWTN.

Please continue to pray for those affected by the virus, and the Archdiocese as well as St. Andrew thanks you in advance for your patience and cooperation. Stay informed of the latest developments through our bulletin, website, and Flocknote (flocknote.com/sa, or text SA to 84576).

God bless,
Fr. Piers
